# REDCLIFFE STATE HIGH SCHOOL

# ABOUT US

Redcliffe State High School has a proud history of serving the Redcliffe Peninsula and supporting the growth of our young people. The school was opened in 1958 and has seen many changes across the years. Our facilities continue to grow to support the needs of our students and to cater for our growth. We work closely with a range of community organisations to ensure that we provide tailored support for the diverse range of students within our school.

Our school community caters for a diverse range of students from different cultural, ethnic and socio-economic backgrounds. We believe that all students can learn and we design learning experiences to allow students to achieve success. We accept responsibility for enhancing student outcomes, monitoring achievement and ensuring that learning occurs within our pedagogical framework. Positive and productive relationships form the foundation of our supportive learning environment, our processes and our structures.

We aim to provide a remarkable range of academic, sporting and cultural opportunities so that students can achieve our vision of 'Soaring Above and Beyond Expectations' at Redcliffe SHS (SABER) and celebrate their successes.

Soaring above and beyond expectations at Redcliffe (SABER) is more than our school vision, it's an ethos enthusiastically embraced by students, staff and parents alike. In everything we do at Redcliffe High, whether it be academic, cultural or sporting, we aim to exceed expectations. This results in a safe, innovative and engaging learning environment for our students.

WE ARE

# RUGBY LEAGUE EXCELLENCE PROGRAM

To demonstrate our commitment to achieving 'Above and beyond' outcomes for our students, Redcliffe High commenced a Program of Excellence in Rugby League in 2001. Since then, the program has developed into one of the best in South-East Queensland, with high-quality coaching, pastoral care and behavioural expectations driving its success.

Boys in the RLX program will have the opportunity to play in competitions not available to most schools in the Greater-Brisbane area. Our teams compete in the top competitions offered to South-East Queensland schoolboys, facilitated by the Brisbane Broncos.

A student will remain eligible as a course participant if they continue to meet the excellent standards upon which their acceptance was initially determined.

Students enrolled in Programs of Excellence must maintain a high level of effort, behaviour and attendance in all classes in order to keep their position in the program. At any time after the program has commenced, Redcliffe State High School reserves the right to remove a student from a Program of Excellence for reasons of behaviour, attendance or academic suitability.

If a student elects to move to mainstream learning, written communication from parents will be necessary. Depending on timetabling considerations it may not be possible to immediately accommodate this change.

# CURRICULUM AND LEARNING

Rugby League Excellence students in years 7 to 10 are assessed against the Health and Physical Education achievement standard of the Australian Curriculum. Over 8 semesters, students develop the skills, knowledge, and understanding to strengthen their sense of self, and build and manage satisfying, respectful relationships. They learn to build on personal and community strengths and assets to enhance safety and wellbeing. They critique and challenge assumptions and stereotypes and learn to navigate a range of health-related sources, services and organisations.

Students in years 11 and 12 complete the senior sport and recreation syllabus. As part of this program, students investigate local community resources that aid in the facilitation of sport, fitness and leisure activities. They develop the necessary skills to run sporting tournaments with the hope that these skills can be used to benefit their communities. Students also learn to coach both individuals and small groups in a range of sport and fitness settings.

Many of our students receive additional learning support during the school Academic Intervention Response (AIR) time, held each Friday between 1:30pm-2:40pm. This allows students to catch up on key learning they may have missed due to their sporting commitments. Many students are also identified by their class teachers as needing additional support in the area of literacy. As a response to this, a designated Rugby League Excellence literacy support class also runs during AIR time and is coordinated by one of the RLX coaches.

# PROGRAM FEES

Students in Rugby League Excellence will need access to a range of school resources to fully participate in the course. Therefore, continued enrolment in the program is contingent upon Student Resource Scheme fees being paid or having an agreed payment plan in place.

We would like to acknowledge our wonderful sponsors who ensure that we can keep our fees to a minimum. In 2024 we have once again kept our fees at the same price as previous seasons - \$350 for all year levels.

The fees will cover:

- training shirt, shorts and hat
- Playing Shorts and Socks
- All travel costs including to and from games and camps
- RLX Camp Venue is determined by year level
- any playing costs associated with the Rugby League program eg strapping
  - Access to video analysis programs for our senior cohorts.
  - Guest coaching and speakers throughout the year
  - End of season presentation nights

Should you have any questions about the program, please contact Lachlan James HOD HPE and SPORT or Jay Wilkinson Rugby League Coordinator on 3897 1111.

# RUGBY LEAGUE REDDI INCOMING YEAR 7'S

Year 6 students that are accepted into the program for Year 7 are invited to attend our Rugby League Reddi program in Term 4 each year.

The Rugby League Reddi program has been designed to help our incoming Year 7 RLX students transition into the program. Over six weeks, the boys will have a chance to develop relationships with their new team mates and coaches while also developing their skills as rugby league players. The Program takes place in Term Four and provides the perfect stepping stone for our future players.

**WEEK ONE** GRIP, PASS, CATCH, CARRY

**WEEK TWO** STRENGTH AND CONDITIONING

**WEEK THREE** TACKLE TECHNIQUE

**WEEK FOUR** ATTACKING SKILLS

**WEEK FIVE** DEFENSIVE SKILLS

**WEEK SIX** OPPOSED SESSION
