G’URL’s in IT Workshop

**Overview:** The Business/Information Technology (IT) faculty are offering a “G’URL’s in IT Day”. It is a fun day for the girls as they participate in a variety of IT related tasks using software programs like Adobe Flash and Photoshop. At the end of the day, they will take home their completed project via their own USB to show and share with their family!

**Participants:** Year 6 girls — First 20 applicants  
**Costs:** NIL  
**Booking Link:** https://www.trybooking.com/BBEMV

**Transport:** Parents to sign in and collect students from R.S.H.S. Hall  
**Catering:** Students to pack their own Morning Tea and Lunch  
**Date & Time:** Monday 17th June 2019  8:45am—2:30pm.

The Actor Begins – Drama Workshop

**Overview:** Students will start the day working with our senior Centre for Artistic Development (CAD) students. These students have been directed by Zen Zen Zo Physical Theatre Company and will surely impress! From there, students will workshop characters and explore vocal and movement techniques. Focus activities, mask work and role-plays will be used to help students devise a performance piece.

**Participants:** Year 6 students with an interest in drama  
**Costs:** Nil  
**Booking Link:** https://www.trybooking.com/BBBXXO

**Transport:** Parents to sign students in at R.S.H.S. Hall and collect them from the R.S.H.S. Birds Nest Theatre  
**Catering:** Students to pack their own morning tea, water bottle and lunch  
**Wear:** Primary School uniform and hat  
**Date:** Monday 17th June 2019  8:45am—12:30pm

Instrumental Music

**Overview:** Year 6 instrumental students are invited to spend the afternoon at RSHS playing in small ensembles and receiving tuition from Senior Music students as well as Mrs Nicolopoulos. Finish the day by rehearsing and performing with the Junior Wind Band, the Choir or the String Ensemble in our purpose-built theatre, the Bird’s Nest.

**Participants:** Year 6 instrumental and vocal students  
**Costs:** NIL  
**Booking Link:** https://www.trybooking.com/BBENP

**Transport:** Parents to sign students in at R.S.H.S. Hall and collect from R.S.H.S. Bird’s Nest Theatre  
**Date & Time:** Monday 17th June 2019  1:00pm—4:00pm

Transitioning to Redcliffe State High School

**Step Up information for Parents**

Transition to high school is a period of change that can be both challenging and exciting, in which children and families adjust to new roles, identities and expectations, new interactions and new relationships (DEECD, 2011).

Research has identified the 7 key issues that affect students as they transition from primary school to high school. They are:

1. The challenge of new procedures  
2. New types of learning activities  
3. The role of peer  
4. The role of homework  
5. Feelings of success and confidence  
6. The role of teachers  
7. The role of school support

Research has also shown that the feeling of connectedness to secondary school was a significant predictor of academic and health outcomes. Higher connectedness to school was related to fewer classroom and peer problems, fewer emotional problems and greater pro-social skills.

The Step Up to Redcliffe High program was designed to build on the confidence Year 6 students gained by visiting the school for Transition Day in October. Step Up allows students to get to know some teachers, have more confidence moving about the school, learn about different teacher delivery styles and to develop their confidence and expectations of success.

Other opportunities to gain experience in the school include the Reddi Showcase - Redcliffe State High School's Open Evening and Junior Secondary Information evening.
Redcliffe SHS is using an online booking system called TryBooking to manage 2019 Step Up day sign ups.

For equity reasons, all Step Up program sign ups will open on the 1st April at 8am and close on the 3rd May at 11:59pm. Places are limited as specified in the program information.

Follow the steps below to sign up for your Step Up day via Try Booking:
1. Follow the link provided on the program description
2. Proceed from the booking home page to enter your students information
   - Respond “Yes” if you give Redcliffe SHS permission to photograph your student
   - Respond “Yes” if you understand that an adult must sign your student in and out on the Step Up day

Once you have entered your student details, continue to enter your contact details and confirm the place in your chosen Step Up program.

Please note it is not necessary to print booking confirmation.

For your convenience, booking links for each Step Up day have been provided below:

- **Girls Sport and Fitness Academy**
  - **Overview:** Students will attend a day at the high school where they will participate in a range of skills training and fitness testing. Students will enjoy the experience of being part of our Excellence Program team for the day.

*Please direct any enquiries to Lauren Martin-Gaskell via email at lmart20@eq.edu.au*
**Maths and Science Extension Program**

**Overview:** The Step Up Project engages students through higher order thinking activities, including robotics, implemented by a range of Mathematics teachers across the first half of the day. Students will develop their problem solving skills through individual and group activities and challenges. Attendees will have the opportunity to work with other students from across the district and get a taste for the wide variety of programs available through our Mathematics Department. This is a special Science experience at Redcliffe State High School. Invited students will attend the second half of the day at Super Science, where they will conduct experiments in Biology, Chemistry and Physics in our new Reddilab facility and under the guidance of specialist Science teachers. The students will conduct experiments working in groups and using the latest laboratory test and measurement equipment, including the Vernier LabQuest 2.

**Participants:** Year 6 students—30 applicants nominated by primary schools  
**Costs:** Nil  
**Booking Link:** [https://www.trybooking.com/BBQBJ](https://www.trybooking.com/BBQBJ)  
**Transport:** Parents to sign students in and collect from R.S.H.S. Hall  
**Catering:** Students to pack their own morning tea and lunch  
**Wear:** Primary school uniform and hat

**Transport:** Parents to sign students in at R.S.H.S. Hall and collect from R.S.H.S. Hall  
**Catering:** Students to pack their own Morning Tea and Lunch as required  
**Date & Time:** Thursday 20th June 1:00pm—4:00pm

**Wild, Wild Wet! Dangerous Minds English/SOSE**

**Overview:** In this authentic task, students get the chance to examine actual water samples taken from the Redcliffe region in order to draw conclusions about the quality of the water around us. They will use their findings to create a visual journalistic response, to inform the community about “What’s really in our water?” This fun and engaging task provides opportunities to nurture student curiosity and their wonder about the world through the lens of the humanities areas of Geography, English and History. Students will also be working in our newest humanities area of Philosophy. This fascinating new area allows students to engage in higher order thinking activities and improve their ability to reason and justify opinions and decisions using real-life scenarios.

**Participants:** Year 6 students - First 40 applicants  
**Costs:** Nil  
**Booking Link:** [https://www.trybooking.com/BBBOY](https://www.trybooking.com/BBBOY)  
**Transport:** Parents to sign in and collect students from R.S.H.S. Hall  
**Catering:** School will provide morning tea and lunch  
**Wear:** Primary school uniform and hat  
**Dates & Times:** Wednesday 19th June 8:45am—2:30pm
