

# Selection Process

## 1. APPLY

– Register for a trial or audition and complete both: The Selective Entry Program Application Form and either the Expression of Interest (EOI) for Out of Catchment students or Enrolment paperwork for In Catchment students

## 2. TRIAL

– Students participate in program specific trials or auditions during Week 10, Term 2:

## 3. SHORTLIST

– Students will be shortlisted based on their performance, with successful applicants notified. Out of Catchment students will receive formal enrolment offers at this stage.

## 4. ENROL

– Families finalise enrolment by attending an enrolment interview and paying the relevant program fees.

Once families register for a trial or audition, our school will contact them with further information and permissions specific to their chosen program.

# Academic Academy Programs

*Academic Academy*

## Selection Criteria

Students will be selected on

- Previous academic results including NAPLAN
- Individual curriculum results for chosen program
- Attitude and effort in schoolwork

# Soaring Above and Beyond Expectations

## Academic Academy

To support high-achieving students in Years 7 to 9 through specialised and accelerated core curriculum classes, designed to extend, challenge and inspire. They aim at developing critical thinking, problem solving and academic resilience for future academic success in:

- Maths
- Science
- English
- Humanities

## Conditions of Enrolment

To remain in Academic Academy programs, students must:

- Maintain a minimum 90% attendance rate
- Achieve at least a 'B' standard in Academic Academy subject/s, including effort and behaviour
- Demonstrate exemplary behaviour at all times

## Program Fees

Estimated \$50 per student, per year  
Payment due before entry into program

Includes entry into academic competitions and events, additional subject resourcing for depth studies and guest presenters and lectures
