

Selection Process

1. APPLY

– Register for a trial or audition and complete both: The Selective Entry Program Application Form and either the Expression of Interest (EOI) for Out of Catchment students or Enrolment paperwork for In Catchment students

2. TRIAL

– Students participate in program specific trials or auditions during Week 10, Term 2:

3. SHORTLIST

– Students will be shortlisted based on their performance, with successful applicants notified. Out of Catchment students will receive formal enrolment offers at this stage.

4. ENROL

– Families finalise enrolment by attending an enrolment interview and paying the relevant program fees.

Once families register for a trial or audition, our school will contact them with further information and permissions specific to their chosen program.

Visual and Media Arts

Program of Excellence

Students engage with a variety of media and techniques, with an integrated focus on ICTs and alternate cultural perspectives. As a specific Visual & Media Arts program we offer an environment ideally suited to the development of specialised skills and ensure our students are working to their fullest potential.

Selection Criteria

The Program of Excellence in Visual & Media Arts is not merely about being artistically talented. Essentially, we are looking for a range of qualities including

- Creative thinking
- Willingness to explore new techniques, ideas and materials
- A passion for the Arts – in particular Visual & Media Arts
- Aptitude and willingness to work in all areas of their curriculum
- Basic literacy (C in ENG and completion of a written component at the workshop)
- Primary School report and teacher's comments regarding behaviour and effort (we would expect to see only positive comments in these areas – ideally 'B's and above)
- Motivation for wanting to be an active part of the program
- An enthusiastic manner and a willingness to work in all areas of art
- Aptitude and eagerness to learn and approach new materials and concepts

Visual and Media Arts

Redcliffe State High School's Visual & Media Excellence Program is a program for students pursuing excellence in Visual Art and Media and is designed to allow young artists to "Soar Above and Beyond" in these disciplines. The philosophy of the Visual & Media Arts Excellence Program is for participants to engage in an ongoing appreciation of the Visual & Media Arts and to become advocates and supporters of these disciplines through making, presenting and viewing the Arts in school and the community.

Throughout the program students will develop skills in Arts making and appraising, exploring creativity as a means of purposeful problem solving, effective communication, visual literacy and personal and cultural expression.

Soaring Above and Beyond Expectations

**CI Visual Art**

What is included in the cost?

Depending on the subject area and what is available in that year, the cost covers all workshops, incursions, excursions, transport, performance requirements and extra materials.

Can I apply if my student is out of Catchment?

Yes. As this is an approved program, we can accept out of catchment students through the audition process.
