CAVEAT:

For the SABER Scheme to maintain its integrity and value, it is expected that the above behaviours/achievements will be recognised by the issuing of SABER slips, certificates etc.

Equally, it is also expected that the following behaviours form part of the normal and expected standards of all RSHS students, and thus are unable to be recognised as warranting the issuing of SABER slips. These are:

- Behaviour in accordance with RSHS standards and expectations.
- Completion of homework.
- Submission of required and mandated assessment items.
- Completion of routine class work and course work.

SABER Application Process:

If students have not received a SABER Slip/Certificate etc and they feel they should have received a SABER Slip for the achievements outlined in this document, they can complete the form below to apply for the SABER Slip. This form can be collected from the SABER centre.

The form needs to be given to the staff member in charge of the activity.
