Privacy Statement
The Department of Education and Training, through the school, is collecting your personal information in accordance with section 51 of the Education (General Provisions) Act 2006 in order to administer the Student Resource Scheme in an efficient, ethical and secure manner. The information will only be accessed by school employees administering the scheme. Some of this information may be given to department employees for the purpose of debt recovery. Your information will not be given to any other person or agency unless you have given permission or the Department of Education and Training is authorised or required by law to make the disclosure.

Purpose of the Scheme
1. In accordance with the Education (General Provisions) Act 2006, the cost of providing instruction, administration and facilities for the education of students enrolled at State schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
2. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school. In recognition that these costs can be high, the school operates a Student Resource Scheme (the “scheme”) that enables a parent to enter into an agreement with the school that, for a specified annual participation fee, provides for the temporary use by the student of prescribed textbooks and/or resources, consumables and materials as listed on the Year Level Requirements List as being provided by the scheme, when due for the temporary use of the student, and/or may withhold the giving of any further items under the scheme until the debt is paid.
3. A Student Resource Scheme is separate to and distinct from a request for a voluntary financial contribution.

Benefits of the Scheme
4. The purpose of the scheme is to provide the parent with a cost effective alternative to purchasing textbooks and/or resources elsewhere, through reduced prices gained from the school’s bulk purchasing practices.
5. The scheme also ensures that students have consistent personal resources for their education, and saves the parent time and money in sourcing the prescribed materials elsewhere.
6. The scheme is not used to raise funds for other purposes, and revenue will not be given to any other person or agency unless you have given permission or the Department of Education and Training is authorised or required by law to make the disclosure.
7. Participation in the scheme is voluntary, and there is no obligation on a parent to participate in the scheme. A parent’s decision to participate or not is based on consideration of the value afforded to them by the scheme.
8. The completed and signed Participation Agreement Form should be returned to the school by the advertised date to indicate participation or non-participation in the scheme.
9. If a parent chooses to participate in the scheme and completes the Participation Agreement Form, a fee will be due and payable by the parent for the items provided by the scheme to the student.
10. Payment of the participation fee is a requirement for continued participation in the scheme. An unpaid fee will be subject to the school’s debt collection processes.
11. A parent who does not wish to participate in the student resource scheme shall inform the Principal. Arrangements will be made for the parents of students in Years 7 to 12 or of secondary education age to be paid the value of the Textbook and Resource Allowance for each of their eligible children.
12. A parent who chooses not to participate in the scheme is responsible for providing the student with all items that would otherwise be provided to the student by the scheme as detailed on the Year Level Requirements List and/or Subject Requirements List, to enable the student to engage with the curriculum.

Parents and Citizens’ Association Support of the Scheme
13. The operation of the Student Resource Scheme is discussed annually at a meeting of the Parents and Citizens’ Association. Parents are extended an invitation to attend this meeting and provided with an opportunity to express their opinions. A vote is taken at this meeting on supporting the operation of the scheme.

Textbook and Resource Allowance
14. The Queensland Government provides financial assistance to parents of students in Years 7 to 12 or of secondary education age, attending State and approved non-State schools, to offset the costs of textbooks and other resources. Assistance is provided in the form of a Textbook and Resource Allowance which is paid once a calendar year through the school. Parents have the option to receive the allowance directly from the school or as an offset against associated participation in the school’s Student Resource Scheme. This option is made available to each parent annually by the school. Current availability rates are available from http://www.deet.qld.gov.au/finance/grants/fund/pary/mlh/par-stry.html.

Payment Arrangements
15. Payment of the participation fee may be made by EFTPOS (Debit Card; MasterCard; Visa; American Express where accepted by the school), by cheque or by cash.
16. Payment may be made through the QParents portal using a credit card. Payment will be directed from the QParents portal to BPPOINT where relevant outstanding invoice information may be selected.
17. When paying through BPPOINT, please use the Customer Reference Number (CRN) and invoice number printed on the invoice received from the school. If unsure of your CRN, please contact the school.
