

REDCLIFFE STATE HIGH SCHOOL

Is your child interested in participating in Interschool Sport for 2024? If so, then this is important information for you.

As the 2024 school year nears, we would like to remind you of the guidelines at Redcliffe SHS regarding the participation of your child in Interschool sports in 2024.

At our school, we value highly the opportunity for all our students to engage in extracurricular activities, including Interschool sports. We believe that these activities play a crucial role in fostering teamwork, leadership, and personal growth.

To ensure that all interested sport students have the opportunity to participate in Interschool sports in 2024, it is a requirement that all outstanding sport invoices and School Resource Scheme (SRS) fees must be up to date or paid in full prior to participation. There are a number of outstanding invoices from previous years. These have been checked against attendance and will have to be paid if your child wishes to continue Interschool Sports in 2024.

We understand that there may be unique circumstances, and if you require assistance or have any concerns, please do not hesitate to contact our administrative team. We are here to support you in any way we can.

We would like to maintain a fair and inclusive Interschool sports program, allowing every student to experience the benefits of sports participation.

Thank you for your understanding and cooperation in this matter. We look forward to another exciting year of sports and extracurricular activities in 2024 and appreciate your ongoing support of our school's sporting programs.

If you have any questions, please feel free to reach out to our school's administrative office.

Sincerely,

Chris Francis – RSHS Sports Coordinator
