

A Note from the Principal

There are many costs associated with providing the quality educational opportunities all students deserve.

Redcliffe State High School offers a Student Resource Scheme (SRS) as an economical alternative for the provision of high-quality resources for our students. The SRS is organised by the school, operates under the policies and guidelines of the Department of Education and Training (DET), and is approved by the P&C Association. Participation in the scheme is optional, however before you make your decision, please read the contents of this document to see how you are able to make savings.

Multiple payment options are available. Please complete the Student Resource Scheme Participation Agreement to formalise your participation in the scheme and to advise your payment intentions. Should you be experiencing financial difficulties please contact the school to make an appointment and discuss your payment options. All information discussed will remain confidential.

I look forward to your support in ensuring your student starts day one prepared and resourced for the academic challenges ahead.

Kind Regards,

Kerri Holzwart
Principal
