**Students will not be participating in every subject listed above in Term 1.**

**Please purchase resources listed under the headings ALL SUBJECTS, Maths, English, Science, Humanities and Social Sciences, Languages and Health and Physical Education to start with. If your student is in an Excellence Program, please also purchase those resources listed.**

**On top of this, it is recommended that you purchase 3 or 4 more A4 exercise books. When your student gets their timetable, you will know which (if any) of the subjects you will need to purchase any additional resources for. They will change their elective each term so it is a good idea to have books ready to go for the beginning of each term.**
